The Boys Next Door

There are two little boys,
right next door.
They are not poor,
The little boys,
They have lots of toys.
The little boys, likes to
knock and run.
The boys are about two feet tall,
just like a little doll.
The boys likes to knock and run.
I'd hate to spoil their fun,
But, I don't want them to
knock and run.
I can just hear them, Laugh
out loud, like they are so
very proud.
"Like I said" I'm going to hate,
spoiling their fun,
But, I don't like for them
to knock and run.
The boys next door, to them
are fun.
They are almost like a son.
